SCOPE OF WORK/ CONTRACT

The Brief Scope of work involves the following:

1. False ceiling
2. Various furniture work consists of Work stations, partitions, storage etc.
3. Painting
4. GLASS WORK, PANELLING ETC
5. Various Electrical works consists of Lan Cabling etc
6. Floor Tiles/Carpets
7. Bricks Wall Construction with Toilet reconstruction
8. Windows bar/Grill/Rolling Shutters etc.
9. Flooring
10. Generator Shed with RCC flooring

The Contractor shall carry out and complete the said work in every respect in accordance with this Contract and with the directions of and to the satisfaction of the Employer. The Architect with approval of Employer or Employer issue further drawings and/or written instructions, detailed directions, and explanations which hereafter collectively referred to as 'Instructions' in regard to:

- a) The variation or modification of the design quality or quantity of works or the addition or omission or substitution of any work.
- b) Any discrepancy in the drawings or between the estimate and/or drawings and/or specifications.
- c) The removal from the site of any defective material brought thereon by the contractor and the substitution of any other material thereof.
- d) The demolition removal and/or re-execution of any work executed by the contractor/s.
- e) The dismissal from the work of any persons employed there upon.
- f) The opening up for inspection of any work covered up.
- g) The rectification and making good of any defects under clauses hereinafter mentioned and those arising during the maintenance period (Defect Liability Period). The contractor shall forthwith comply with and duly execute any work comprised in such Employer's or his agent / Architect's instructions, provided always that verbal instructions, directions and explanations given to the contractor's or his representative upon the works by the Employer's or his agent / Architects shall, if involving a variation, be confirmed in writing to the contractor/s within seven days. No works, for which rates are not specifically mentioned in the estimate, shall be taken up without written permission of the Employer. The employer as provided in clause "variation" shall fix rates of items not mentioned in the estimate.

GENERAL CONDITIONS OF THE CONTRACT

In constructing these conditions, the specifications, the schedule of quantities, tender following words shall have the meaning herein assigned to them except where the subject or context otherwise requires.

- i. Employer: The term employer shall denote Mizoram Rural Bank having Head office at MINECO, Khatla, Aizawl, Mizoram and any of its employees' representative authorized on their behalf.
- ii. RA: The term RA shall mean Running Account Bill

- iii. Advance payment means a payment made on a running account to a contractor for work done by him
- iv. Contractor: The term contractor shall mean _____ (Name and address of the contractor)
- v. Site: The site shall mean the site where the works are to be executed including any building and erection thereon, allotted by the employer for the contractor's use.
- vi. Drawings: The work is to be carried out in accordance with drawings, specifications, estimates, and any further drawings which may be supplied or any other instruction, which may be given by the Employer or Architects during the execution of the work. All drawings relating to work given to the contractor together with a copy of estimates are to be kept at the site and the Employer / Architects shall be given access to such drawings or estimates wherever necessary. In case any detailed Drawings are necessary contractor shall prepare such detailed drawings and/or dimensional sketches and have it confirmed by the Employer as the case may be before taking up such work. The contractor shall ask in writing for all clarifications on matters occurring anywhere in drawings, specifications, and estimates or for additional instructions at least 10 days ahead of the time when it is required for implementation so that the Employer may be able to give a decision thereon.
- vii. "The Works" shall mean the work or works to be executed or done under this contract.
- ix. "The Estimates" shall mean the estimate as specified and forming part of this contract.
- x. "Priced bid" shall mean the price with the accepted quoted rates of the contractor.
- xi. 'Notice in Writing' or written notice shall mean notice in writing, type or printed characters sent (unless delivered personally or otherwise provided to have been received) by registered post to the last known private or business address or registered office of the addressee and shall be deemed to have been received when in the ordinary course of post it would have been delivered.
- xii. 'Virtual Completion' shall mean the premise is in the opinion of the Employer fit for occupation.
- xiii. Words importing persons include firms and corporations. Words importing the singular only, also include the plural and vice versa where the Context requires.
- Xiv. Ownership of Drawings: All drawings, specifications, and copies thereof furnished by the FA Dept. are the properties of the MRB. They are not to be used on other work.
